OVERVIEW

Jesus told His followers to go into the world and preach the Good News. However, many Christians aren't fulfilling this Great Commission. The call to "evangelize" conjures up uncomfortable images of walking inner city streets with a megaphone. We don't relish facing possible ridicule so prevalent in society today, so we hesitate to reach out.

But we are called to witness. And it isn't that difficult. When we anchor in the goodness of Christ, we realize that sharing the Gospel is a profound honor.

The Ministry of the Unveiled Face grounds us in the simplicity of sharing Christ in the everyday. The meekness of the call lies in our being responsive and obedient to God's prompting as we interact with others. Anchored in persevering prayer, we speak scriptural truths into the lives of others as the Holy Spirit leads. Like the unveiling of a beautiful bride at her wedding, the spiritual veil is removed and Christ's truth and goodness are revealed.

ENDORSEMENTS

Sometimes an angel comes to show the way when we need it most. *The Ministry of the Unveiled Face* brings an angel's gentleness, wisdom, and serene conviction, as Janet Fichter shows us the path to deeper relatedness with God. When we ponder growing in faith, we usually mean living before God with greater authenticity. This is Mrs. Fichter's invitation. Because she is such an authentic Christian, her offer resounds with authority. To go deeper with God, for genuine transformation as Christ's followers, we shed our masks to open our imperfect selves to God's gentle, dynamic grace. Janet Fichter ushers the reader who dares transparency to such a place, a relationship both exciting and fearful. And what are the fruits of this transformation? An invigorated witness that is as loving as it is true, as free of fear as it is bold. Walk with Janet down this path of Christ's light and grace.

The Reverend Dale Rosenberger
Minister and Author

What a beautiful and profound book, yet simple to understand and apply in daily life. Through her stories and guidance, Janet Fichter has crafted a handy tool for us as we seek to honor the Lord of our souls, who only asks us to do what He did, and promises that we'll do even more as we advance His kingdom on earth. Are you, with unveiled face, reconciling your friends and God? Will you be the catalyst that brings people into intimate relationship with their Savior? Do you, like me, struggle to understand how to present Jesus? Do you fear rejection or do you lack confidence because you think you don't know enough? This book will rest those fears and give you encouragement to move forward in your own ministry of the unveiled face.
